Disclosure Chart	If my price can change, how will it change, and by how much?	The fixed energy charge from Volt EP will not change for the duration of the agreement. The price applied in your first billing cycle may be different from the price in this EFL solely to reflect actual changes in TDSP Delivery Charges, TDSP Surcharges, changes to the Electric Reliability Entity administrative fees charged to loads, or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control.
	What other fees may I be charged?	Charges for required, nonrecurring fees will be listed as separate line items on your monthly bill. Please see the "Pricing & Fees", "Billing", "Payments" and "Deposits" sections of your Terms of Service for more detailed information.
	Is this a pre-pay or pay in advance product?	NO
	Does Volt EP purchase excess distributed renewable generation?	No
	Renewable Content:	19.0%
	The statewide average for renewable content is:	19.0%
